

Greater Pittsburgh GTO Goat Gazette---July Edition

Hi All;

So how is your summer going so far...taking in lots of car events and cruises? At least the weather has been dry although sometimes too hot to do anything outside for any length of time. We are just never happy I guess.

We had a nice day at the Pittsburgh Vintage Grand Prix although not many cars and the day was cut rather short mostly because of the heat.

Some of our members attended the GTOAA Nationals in Portland, Oregon and enjoyed the event. Dick Reardon represented the club at the awards celebration and the Pittsburgh Chapter received the Bronze Level Certificate for Chapter Membership Affiliation and we also received the Chapter Website Certificate in recognition of Outstanding Internet Efforts. So good job to all!

There will be a meeting in August. We will meet at King's in Wexford on **Thursday, August 18** at 7 or come early and join us for dinner. Buy a ticket and get a chance to have your dinner paid for on the club. Tickets are just \$1 each and any leftover proceeds go to the club treasury. Hopefully we'll see you there! Come out and hear some details about a possible fun run in the fall and the picnic coming up September 17.
