Editor's Corner

Jim Longo

Here we are in February, so we're about halfway through the winter hibernation. Winter weather hasn't been too bad, and unless we have a cold and rainy spring, we'll be firing up our cars soon. I had intended to get my air conditioning working and my rear bumper re-chromed over the winter, and I'm hoping to still make that happen. Hopefully some of our members are making some progress on their winter projects!

I've continued to review previous Newsletters for ideas, and I've also been looking at Newsletters from other GTOAA chapters and non-Pontiac sources. There's nothing wrong with finding a good idea and using it, or improving on it. Since "My GTO Story" was introduced in the January 2015 Newsletter, eleven members have had their stories published. That leaves a lot of our members with an opportunity to tell a GTO Story, so write them up and send them in. I'm sure that your fellow members will enjoy reading them.

I think that we can also include tech articles on occasion, giving proper citation to the sources. I read a lot of articles on the internet, and I know that other members do too. If you have interesting articles that you've bookmarked or saved, send those links along. I'm sure there's plenty of content that our members might never otherwise come across.

This month's Newsletter features an introduction of the Club's new Vice President, Roger Kral, in the Officer's Corner. You'll also see that for the GTOAA National Convention, two "cruise-ins" to Springfield, from Chicago and St. Louis, are being organized. It's an interesting idea.

I hope that you enjoy this month's Newsletter. If you have any comments or suggestions, or if you'd like to submit content, please send an email to newsletter@greaterpghgto.com or contact me directly. Don't hesitate; the more we share, the better this Newsletter will be!

Officer's Corner

By Roger Kral

Happy New Year everyone! My name is Roger Kral. I have been voted in as your new Vice President. Recently, I received a call from Tom Monzo, the newly elected President of the GTO club. He said, I know we talked about running for office to help with the club when the kids were older and we had more time, but we need to do this now and I need your help. I couldn't turn down my best friend or the needs of the club. With that being said, I decided to step up and do the best I can to continue on the path of those who served before me. Now that you know how I got here, I would like to share with you a little about myself and my appreciation for cars.

I was born and raised in Pittsburgh and have lived here my whole life. I am currently planted in Harrison City. I have been married to my college sweetheart for over 21 years. Traci and I have two great kids, Michael, who will be 16 in June and Madison who will be 11 in March.

I grew up right at the end of a great time in the automobile evolution, the tail end of the muscle car era. I remember the muscle cars on the road driving around as every day drivers. As a kid, I remember watching my dad working on our family cars. He used to sit me up on the fender and show me things. I couldn't get enough. I started at a young age, taking the family lawnmower and adjusting the governor to make it rev up more and poking holes in the exhaust to make the lawnmower louder. My dad loved me for it too!

This excitement for cars and making more power carried into my early teenage years working on cars with my friends. At the age of 15, my dad

gave me one of our family cars, a 1966 Dodge Coronet with a blown motor and a blown transmission. He figured I couldn't do anything with it and it would keep me busy and off the roads and out of trouble. I found a motor and transmission in a junk yard and I put it in the car. Two months later, I was tearing up the back roads of Export, PA.

However, I was bit by the Smokey and the Bandit movie and wanted a 77 Black SE Trans Am in the worst way. I worked a ton of odd jobs, and with the money I saved up and a little help from my dad, at the age of 17 I bought my first Pontiac, a 1977 Smokey and the Bandit Trans Am. This car was driven hard by the original owner and I spent a ton of money keeping it on the road but I had a blast doing it. Before selling it, I put 4 motors, 3 automatic transmissions, and 2 four speeds in that car after converting it to a four speed car.

It was when my best friend from High School bought a mint condition 1968 Blue GTO with a hood tach, 400, four speed with 14,000 original miles that things changed for me. The car was extremely fast and it would just plant you in your seat. This car would just blow the doors off my Trans Am and most of the cars in my area. It was from this point that I said, someday I am going to get a GTO.

Fast forward to 2003, I am now married to my lovely wife and my son is 2. However, a piece of me was missing. I needed to get back to having a car I could play with and fix up. I started looking for a GTO. My first choice was a 1969 or whatever GTO I could find within my price range. I found one that met both criteria and bought it in

Ohio. I enjoy the heck out of this car. My two kids have grown up in this car. One of the funniest moments in this car was the time I pulled into the Irwin car cruise with two kids, one in a car seat and the other in an infant carrier. Yes, the infant carrier works with a lap belt! I whipped out the big stroller from the trunk of a 69 GTO and wish I had a picture of all their faces. I don't think they were expecting a big stroller to come out of the back of a GTO, or a 2 month old infant to be riding in it. While at one of these cruises, I met this guy named Jim who told me he was the President of the GTO club and told me I needed to join! We all know who Jim is! This car was how I met my now best friend and our new President, Tom Monzo! We both share the same appreciation for the GTO's.

I look forward to a great and fun 2017. I met some new friends at the last meeting. I hope to meet and get to know more of you at future meetings and during this year's cruising season. Please try and make the monthly meetings and meet your GTO family! The meetings are informative, a great time to meet other people who share the same appreciation for the GTO, and it is a lot of fun!

Meeting Minutes

By Cheryl Kasper

Minutes for January 17, 2017 meeting held at King's Restaurant, Harmarville.

Tom Monzo called the meeting to order.

16 members were in attendance.

Club store is now open. The club store helps fund our club treasury. Our club gets a percentage on anything sold. Contact Chris Sklenar for anything you want to order.

2017 rosters were passed out at the meeting. If anyone's address, phone number or e-mail changes, please let Cheryl know so your information can be changed in our club data base and with the GTOAA so you don't miss any Legend magazines.

Cheryl read minutes from previous meeting on November 15. Motion to accept minutes by Jim Mastroianni, seconded by Gary Sklenar.

Ken read treasurer's report. Motion to accept by Karen Owoc, seconded by Gary Sklenar.

Randy Reece won 50/50 drawing - \$13.00

2017 family picnic is scheduled for September 9th.

Jim Longo said he needs new GTO stories for the newsletter.

Joe Barber called Kennywood for dates for Americana Days. We can take two cars in on Saturday, July 1, four cars on Sunday, July 2 and six cars on Tuesday, July 4th.

After the meeting, members signed up for spaces. At the present time, we still have 2 spaces for July 1, 1 space for July 2 and 1 space for July 4th. Call or e-mail Cheryl if you are interested in any of these days. Members will have first choice and if any spaces are left over, non-members can sign up to take their cars in to the park.

Ron Sklenar is going to organize a cruise to Gary Cave's in Maryland.

Jim Mastroianni talked to a representative from Monroeville Mall, who was interested in the Club

displaying some GTOs in the mall over a weekend. Anyone interested in displaying a car in this fashion should contact Jim.

Anyone having any ideas for bylaw changes will have until the March 21st meeting to get their ideas in to Jim Longo. Bylaw changes will be voted on at the March meeting.

Christmas party - Chris Sklenar, chairperson - December 2nd at Banquets Unlimited, North Huntingdon. Motion to make \$400 deposit for Christmas party made by Brian George, seconded by Randy Reece. Motion passed.

Tom checked on club insurance with JC Taylor. Cost would be around \$600 - \$700 yearly. Vote was taken and no one was in favor of getting insurance.

Tom mentioned that the GTO Legend is requesting information on charitable events/cruises. We can let them know any cruises we hold or help with during the year.

For next month's meeting, Tom suggested bringing in your favorite award or trophy for your GTO along with where you won the award.

As of this month's meeting, we have 63 paid members.

Since our Vice-President position was open after the November election, Roger Kral said he would be Vice President. A vote was taken and everyone was in favor. Club will pay Roger's GTOAA membership for 2017 since GTOAA is covering dues of President, Treasurer, Newsletter Editor and IT person.

Motion to adjourn meeting by Gary Sklenar, seconded by Jim Mastroianni.

Next meeting, February 21 at King's Restaurant in Harmarville.

The Letter below was sent by Denny Deal, GTOAA Chapter Coordinator, announcing two options to "cruise into" the GTOAA National Convention on Tuesday, June 27th, asking that we notify our membership in case anyone is interested in participating.

GTOAA Chapters:

The Gateway and Heart of Illinois GTO Clubs have planned two historic Route 66 Cruise-Ins into the 2017 GTOAA National Convention in Springfield, Illinois where your members will have the opportunity to travel along sections of the Mother Road, Route 66. Both Cruise-Ins start at 9:00 am on Tuesday, June 27th and both will arrive in Springfield, Illinois Tuesday afternoon.

Ken Braun and the Windy City Goats will begin in Bolingbrook, a suburb of Chicago and head south along historic Route 66 with stops in Dwight, Odell and Pontiac where cruisers can visit the Pontiac Oakland Museum. After lunch in Chenoa you will cruise through Shirley, Atlanta with a stop at the Palms Café and then on into Springfield.

Jeff Bond and Dan Jackson will begin the St. Louis Cruise In on the west side of the historic Chain of Rocks Bridge. The Gateway GTO Club has arranged to have the bridge opened and allow you to drive your GTO or Pontiac across this piece of Route 66 history that opened in 1929 and closed in 1970. Cruisers will continue north to Staunton and a visit to the Rabbit Hutch then on to the Turkey Tracks and a real section of the original brick Route 66.

Please share this information with your members and let them know this is a FREE event except for lunch and any memorabilia you may want to purchase. Bring your cameras as there are many great photo opportunities with your GTO or Pontiac in front of some historic Route 66 landmarks. This is a once in a lifetime opportunity to experience what it was like to travel before there were interstates.
