Editor's Corner

Jim Longo

Greetings members! It's May and cruising season is revving up. If you've read the May issue of The Legend, you may have caught Tom Szymczyk's article about the unprecedented number of car cruises in his area, and how lucky we are to be in an era where there are cruises and shows virtually every night of the week. That seems to be true in our area too; look on carcruises.com and you'll find a cruise somewhere every night; it's just a question of whether you want to make the effort to get there.

I've gone to two cruises, both at the Victory Church Cruise in Cranberry Township, which is very close to home. Both times there were at least a few Pontiacs on hand, a couple of GTOs, Trans Ams, and LeMans. Hopefully you're getting out to some local cruises too.

Since I'm still new to the role of Newsletter Editor (this is my fifth edition) I still look at the themes of our Newsletters from prior years, and I also look at Newsletters from other clubs. A common theme is the call for members to be more active, which is a nice idea, but that isn't for everyone. I've been in the Club for almost three years, I've attended most of the meetings and Club events, and I'd guess that I have NOT met more of our members than I've met.

The Gary Cave Open House is May 6th, and some of our members are meeting in Breezewood that morning for breakfast before heading down, as described in the April meeting minutes. This is reputed to be a collection of Pontiac cars, parts, and memorabilia that you don't want to miss, and reportedly this is the last time this open house will be offered. Depending on where you're starting, it's between 2-1/2 and 3-1/2 hours away.

Since King's Restaurant in Harmarville closed, last month's Club meeting was held at the Bob Evans in Harmarville, where it will be held again in May. In my opinion, Bob Evans has better food at the same prices, so that's an improvement, but it doesn't have a completely separate meeting room. If anyone has suggestions for an alternative, please contact Tom Monzo or Cheryl Kasper.

As always, if you'd like to submit a "My GTO Story", a classified ad, announcement or other content, please send an email to newsletter@greaterpghgto.com. I hope to see you at an upcoming Club event!

GTO Memories and the Three Billy Goats Gruff

Most of you know in my other life, other than being the Greater Pittsburgh GTO Club President, I am an elementary school teacher. Just like one of our founding fathers, Jim Mastroianni, I teach third grade. From time to time, it's easy to imagine life on the outside and I begin to reminisce about the good old days when I first bought my GTO. The other day I was sitting at my desk while the students were working and I noticed the picture on my desk of three Pontiacs and myself. When I was in my mid twenties, I owned a 1976 Grand Prix, a 1965 GTO, and a 1987 Trans Am all at the same time.

The students were reading the Three Billy Goats Gruff when I drifted off into the past. Just like a modern day Geico

commercial, I was transformed back in time to the mid 80's and I was a part of that picture.

The Grand Prix was my favorite car and still is, but the memory that came to mind was a race that took place on the Westinghouse Bridge in North Versailles. My friend Shaun Arvey and I were returning from the Pittsburgh World of Wheels Car Show where my GTO had just won an award. Shaun was driving my Trans Am and I was driving my GTO. We stopped at the red light before the bridge and I said to Shaun, "Light 'em up, lets race across the bridge." (Ironically, the students had reached the part of the story where the three goats were about to pass over the bridge if they could outsmart the troll.) The light turned green and the GTO leapt forward at an amazing pace. I started looking into my rear view mirror and the Trans Am quickly faded away. When we reached the red light at McDonalds I asked Shaun, "Why didn't you race me?" He replied, "I had my foot into the water pump!" The Trans Am was floored, but it couldn't keep up. We were both amazed that the GTO was that much faster than the Trans Am. It wasn't even close. Then, on this cold January night, we

put both cars away and took the Grand Prix out for a ride. We talked about the race and what a difference a few decades could make. The Trans Am looked fast, but it was no competition for the old 60's muscle.

Oh yea, back to the kids. One of them asked, "Mr. Monzo, where were you?" I replied, "Sorry, I was in my happy place." And then we discussed the Three Billy

Goats Gruff and the fact that they made it over the bridge.

As we recall fond memories of the past this Spring and begin getting ready for the car cruises, I wish all of our members a happy summer cruise season that will start with the Irwin Car Cruise, followed by a trip to the Gary Cave car collection and many more events to come. Happy motoring!

Our new business cards were received and passed out to members to try and increase our membership. Ken has left over business cards. If interested, he will have them at the meetings and car cruises.

GTO Illustrated Identification Guide—Limited Availability

This original version of Eric White's Illustrated Identification Guide is now available **in very limited numbers**. Eric's sister has reproduced them and made them available to us. The future version being worked on by Eric with the 2005 and 2006 GTOs just before he passed has not been found, as his computer crashed just before he died and his sister has been unsuccessful in gaining access to his files. So, all we have for now is the original version that he printed. If you are in the process of restoring a GTO or looking to purchase a GTO this book is a must have for identification purposes. It is a one stop shop for everything GTO. Get yours now while supplies last. This book has 118 pages of information.

by Eric White, Wild About Cars Pontiac Brand Manager

The Letter below was sent by Denny Deal, GTOAA Chapter Coordinator, announcing two options to "cruise into" the GTOAA National Convention on Tuesday, June 27th, asking that we notify our membership in case anyone is interested in participating.

GTOAA Chapters:

The Gateway and Heart of Illinois GTO Clubs have planned two historic Route 66 Cruise-Ins into the 2017 GTOAA National Convention in Springfield, Illinois where your members will have the opportunity to travel along sections of the Mother Road, Route 66. Both Cruise-Ins start at 9:00 am on Tuesday, June 27th and both will arrive in Springfield, Illinois Tuesday afternoon.

Ken Braun and the Windy City Goats will begin in Bolingbrook, a suburb of Chicago and head south along historic Route 66 with stops in Dwight, Odell and Pontiac where cruisers can visit the Pontiac Oakland Museum. After lunch in Chenoa you will cruise through Shirley, Atlanta with a stop at the Palms Café and then on into Springfield.

Jeff Bond and Dan Jackson will begin the St. Louis Cruise In on the west side of the historic Chain of Rocks Bridge. The Gateway GTO Club has arranged to have the bridge opened and allow you to drive your GTO or Pontiac across this piece of Route 66 history that opened in 1929 and closed in 1970. Cruisers will continue north to Staunton and a visit to the Rabbit Hutch then on to the Turkey Tracks and a real section of the original brick Route 66.

Please share this information with your members and let them know this is a FREE event except for lunch and any memorabilia you may want to purchase. Bring your cameras as there are many great photo opportunities with your GTO or Pontiac in front of some historic Route 66 landmarks. This is a once in a lifetime opportunity to experience what it was like to travel before there were interstates.
