Editor's Corner

Jim Longo

As you're reading this, we're just about at the halfway point of the cruising season. Depending on the weather, we get part of April, part of November, and the six months in between. We've had a lot of rain and we've seen several local cruises canceled several times. Hopefully August brings us better weather! I'm sure that a number of members are making the trip to Norwalk and the weather looks good for that. We have Pontiac night at the Wexford Starlite Car Cruise on August 18th and the Shriner Car Show on August 20th. The Shriners decided to roll the dice this year with a "rain or shine" show, so hopefully we get the shine.

Speaking of the Shriner Car Show, don't forget that members are needed on Saturday August 19th to help with setting up the field, and on the day of the show to help with directing traffic and parking cars.

This month's newsletter includes the "Chapter Corner" that GTOAA Chapter Coordinator Denny Deal periodically distributes to the local chapters. You'll see that the GTOAA is looking for stories about local chapter activities such as our sponsorship of the Shriner Car Show. GTOAA is targeting increased membership from the chapters, which isn't an issue for us since we're one of 17 chapters out of 37 that requires GTOAA membership.

The [Greater Ohio GTO Club](#) is sponsoring an All Pontiac show in Akron on September 17th. Since Akron's only a 1-1/2 to 2 hour drive from Pittsburgh that could be a show to attend.

Absent a **My GTO Story** this month, here's a link to a July [article from Hemmings](#) about GM's plan to offer 8-Lug wheels as an option on the 1966 GTO, a plan that never made it into production.

If you're out and about with other members at cruises or shows and you take any pictures, be sure to get them to Mike at webmaster@greaterpghgto.com so that he can post them to the Club's website. We've had club members at Kennywood and the USX Tower so it would be great to get some pictures from those events onto the website.

As always, if you'd like to submit a "My GTO Story", a classified ad, announcement or other content for the newsletter, please send an email to newsletter@greaterpghgto.com. Enjoy the cruise season!

If anyone wants to bring desserts or snacks, please do so, but I ask that you e-mail me to let me know what you will be bringing so we won't have too many of the same thing. There will be an e-mail later asking how many will be attending.

Jim needs new GTO stories for the newsletter.

Next meeting, Tuesday, August 15th at Bob Evans, Harmarville. Hope to see you there.

Officer's Corner

By Cheryl Kasper

Sorry to say, I can't write anything about cars in my officer's corner articles. Even after over 13 years of going to car cruises, cars really don't mean anything to me. I like the cruises because of the people.

It's hard to believe it's August. Where did the summer go?? Before you know it, the club family picnic will be here. Hope to see everyone on September 9th. There will be an e-mail sent out later this month asking how many will be attending.

Once again this year, we had a great time at Kennywood, except for Eric Vicker who

was to go on Saturday, July 1 and it poured down rain and he never went in to the park. Sorry, Eric.

Mark your calendar for the events I hope to see you at this year. Pontiac night at the Northway Christian Church on August 18th. The Shriner's car cruise on August 20th. The family picnic, September 9th. The Christmas party on December 2. Also, the third Tuesday of each month at Bob Evan's in Harmarville.

Hope you enjoy the rest of your summer and be careful out there.

Chapter Corner

with GTOAA Chapter Coordinator, Denny Deal

Now that summer is here most of you finally have a chance to get the GTO out of the garage, on the road, and out to enjoy the sound of the tires on the road, and the growl of the exhaust! Maybe make a cruise to a local drive-in to share some stories about what you did to your car over the winter, or to take your best girl (or guy) out for a summer night run. It used to be these were everyday cars, parked in the driveway and ready to go at a moment's notice, but now they are special, all polished and shined up for that weekend event where you can drive it in and show it off with pride.

I wanted to put in a plug for those of you that like reading the stories about the cover cars in *The Legend*, because we are always looking for YOUR story. Your car does not need to be concours level, street legal, or an original owner vehicle. It's about your car, the way you found it, built it, and drive it. If you'd like to submit your story contact Tom Szymczyk @ goatguytom@aol.com and ask him to send you our story outline and photo requirements guidelines. I hope you'll consider this because we are always looking for our members stories.

If you were not at the Nationals this year we hosted a Chapter Appreciation Night where after tabulating all of the information I gleaned from your returned surveys we did a nice overhead presentation on each chapter's membership status, as well as their social media involvement. This was well received and we will continue to do this at future events.

A lot of what we talked about during this meeting concerned you. Questions and answers on how we can better communicate and share in the successes you're having with everyone else. One thing that is important, and I'll hit on it again here, and that is sending in your articles or write ups relating to what your chapter is doing this summer. If you have run an event, we'd like to know about it. Have someone take pictures and write up an article on it, we can accept any pictures you have and a decent recap of the event. These too, can be sent along to Tom Szymczyk @ goatguytom@aol.com. They will combine some of the pictures and rework the article to fit into an upcoming *Legend* edition. Don't miss out on seeing your event getting national attention!

In the next *Legend* magazine, you will see an updated list of all of our active chapters listing each address, point of contact and phone numbers. **If this information is not current or you'd prefer to have a different officer or person listed as your point of contact, please just drop me a line and let me know, I'll be keeping a database on everyone so changing and updating will be very easy.** I'll then share this info with our Legend editor so the next time they run all of the chapters, he'll have your accurate information.

One important thing that I need to address is the minimum GTOAA percentage in each chapter for 2018 will need to be 65%, up 5% from the last 3-4 years. While our national enrollment has increased 2.4% from 2016, our average GTOAA chapter percentage has dropped 2%, to 78%. A lot of chapters have broadened their base by including non-GTO members and the numbers reflect a healthy 7% increase of chapter membership. Collectively we need to enlist these new members to join the GTOAA as well. As members, they are included in your event insurance coverage provided by the GTOAA.

We have a number of chapters that need to work to increase their GTOAA percentage. I will be contacting each of them to discuss how I can help you reach these goals. The GTOAA's goal is to eventually have all of our chapters 100% affiliated. This is a goal, not a mandate, and will take some time to achieve. I've included a GTOAA benefits page that you can pass around to your members, or include in your newsletter to help promote our parent organization to emphasize all the things they do for us.

Until next time,

Happy motoring.....

AZ Transmissions

Club member Tom Monzo notes that AZ Transmissions rebuilt the tranny and rear end in his GTO. Throughout the two week process, Tim made sure that he understood everything that they were repairing, kept in touch throughout the repair and asked Tom to come to the shop several times to see the damaged parts and to review the costs of the repair. Tom was very pleased with their service and highly recommend AZ Transmissions for your classic car and daily driver repairs.
