It seems like April vanished in the blink of an eye, with the weather being kind of a letdown. I haven't even uncovered or started my GTO yet, but I'm hoping to get to it this week. Nonetheless, we're into cruise season and there are a couple of early events to have on your calendars.

The first event is a Cruise at Norwin Hills on Saturday, May 19th, a tribute cruise for the late Bob Massie who funded the insurance to enable the Norwin Hills cruise to continue after it had been terminated. To show support and encourage as many members as possible to come out and put on a strong showing of GTOs, our Club is going to buy the pizza for our members. To do so, we need an accurate count, so we're asking that you fill out a form that you'll receive in an email to indicate whether you'll attend.

The second event is Pontiac Night at the Victory Car Cruise in Cranberry Township on Friday, June 1st. This is the cruise that is "replacing" the Wexford Starlite Cruise, which typically didn't hold Pontiac Night until mid-August. The Victory Car Cruise is on Rt. 19 just north of the Butler Auto Auction and YMCA. Again, it would be great to have a strong showing of GTOs at this cruise.

Our Club has been contacted about a couple of cruises that are soliciting attendance, and since they've reached out to us, we'll give them a plug. One is a Memorial Day cruise to benefit veterans and Genre's kids with cancer at Mother of Sorrows Church in Murrysville. The other is on June 16th at Harbor Senior Living in Monroeville at 1:00 p.m.

In this month's newsletter you'll see that the Club received a letter thanking us for our donation to the White Oak Animal Safe Haven. You'll also find the registration form for the Shriner Car Show on August 19th if you want to print it from the newsletter, or you can download it from the Syria Motor Corps website directly. There isn't online registration, so you'll have to mail a form or show up on the day of the show to register. We also have the answers to another "Question of the Month" along with the usual content.

If you'd like to submit a "My GTO Story", a suggestion for Question of the Month, or anything else that you think our members will enjoy, please send to newsletter@greaterpghgto.com.

Officer's Corner

By Roger Kral

Hello everyone! It is finally spring and you can hear the roar of the engines outside going up and down the road. Our first club cruise was this past Saturday in downtown Irwin. I was so looking forward to attending and seeing my fellow car enthusiasts and GTO club members. I made sure I had all my morning events planned early enough so they would not get in the way of going to the first cruise of the year.

One of my morning events was my dad stopping over in the early morning to look at a construction project I am about to start and to make sure my ideas are structurally sound. Before he got there, I had backed out of the GTO and was getting ready to spray off the dust. I figured he wouldn't be there long and I could be at the show in plenty of time. Well, it didn't go as planned but it turned out better than planned so I thought I would share it with you.

After my dad looked at my project, he was walking past the front of my GTO and noticed my grille looked out of place and the driver side headlight door was drooping down. My dad was the one that taught me everything I know about cars and has an antique car of his own. I knew when he saw this that I was probably not going to make the show because I know how he is about cars. As is turns out, I am thankful he did notice the grille being out of place because the bottom bracket that holds the grill to the endure bumper frame had lost both screws and was just laying in there. So, I went over to my work bench looking for two screws from my can of car nuts and bolts. I come back to the garage to find he has the rest of the grille out and is figuring out the headlight problem.

At this point, I knew I definitely wasn't going to make the show that I so much wanted to go to! However, what I didn't realize at this point was how much I needed this change in my day to happen. You see, one of the things I like the most besides driving my car to the shows and meeting up with friends who share the same interest is spending time with my dad working on old cars and figuring things out as we go. We have not done this in a long time because my children were involved in everything and so was I. Plus most of time when I do work on cars with him, I am helping him with his antique car. But this day, we spent time on my car and I totally enjoyed the time with him. We had it almost back together when he

Officer's Corner (continued)

had to leave. We spent hours on that car and it seemed like minutes! He still manages to teach me something every time and he did it again this time.

I had to go and buy new clips and screws to fix the bracket in order to finish it because I knew he would be calling later to make sure and he did. My son came out and I showed him how to do it and he helped me finish. Hopefully, he will find the same love for these cars in driving and working on them.

So there you have it. Even in repair mode, the GTO became a source of a father and son project that provided me with a great memory.

Remember, our club meets once a month for about an hour. For those of you who have not attended it is a great way to get to know your GTO family. Plus, there is a lot of GTO and Pontiac knowledge in that room at one time once a month! Try and come to at least one meeting.

WHITE OAK ANIMAL SAFE HAVEN, INC.

April 10, 2018

John Owoc
The Greater Pittsburgh GTO Car Club

Dear John:

On behalf of the Board of Directors and Staff of the White Oak Animal Safe Haven, we express our sincerest appreciation for the donation that you made in honor of Bob Massie, Jr. Bob was the most generous, giving, and humble man that we have ever known. The loss of Bob has been felt by many. As you know, Bob was an animal lover and one of our greatest supporters. Your generosity in honoring this great man has truly helped us in the mourning process.

Your donation will help us provide for our animals in meeting all of their needs, from their daily care to veterinary needs. Again, thank you for choosing our shelter.

Sincerely,

Ina Marton

Question of the Month

By our members

This month's question: What is your favorite GTO paint color, and why?

- 1964 Gulfstream Aqua. I just love it. – *Brian George*
- 1967 Plum Mist, a nice unusual color, only used one year. – *Bob Spongross*
- On the early GTOs I like Iris Mist and Mayfair Maize, both '65 colors. On the new Gen GTOs I like Brazen Orange and Quicksilver Metallic (with the chrome 18s). – *Jim Longo*
- 67 blue with white interior it's just classy – *Ron Gunn*
- Most people like the color they have, or had, me included so mine is Matador Red (1969) My second favorite might be Orbit Orange. - *Alan*
- It's hard for me to pick a favorite, so I'd say the as long as it's a GTO, any color looks good. – *Bill Gilbert*
- Marina turquoise, my 1st GTO - *Jim*
- Lime light green – *Phil Shusteric*
- Teal Turquoise. In 1964 when the new 1965 car designs from Pontiac came out, I fell in love with the new look of the GTO featured in the brochure wearing the new Teal Turquoise color. I loved it so much, I owned one back then and still do today. – *Orvil & Shirley Osche*
- Platinum. Growing up my brother purchased a new Platinum 66 while in Navy Flight Training at Pensacola Fla. In 67, 68 ,while he was on tour in Southeast Asia, the 66 was "parked" in my parents garage. Wow, did I take care of it while he was gone!! To this day, I cannot believe how beautiful that car was. – *Steve Solomon*
- Red - *Steve*
- 1967 Gulf Turquoise- the color of my first brand new GTO. I now have another 1967 Gulf Turquoise GTO. – *Fred Mansfield*

AZ Transmissions

Club member Tom Monzo notes that AZ Transmissions rebuilt the tranny and rear end in his GTO. Throughout the two week process, Tim made sure that he understood everything that they were repairing, kept in touch throughout the repair and asked Tom to come to the shop several times to see the damaged parts and to review the costs of the repair. Tom was very pleased with their service and highly recommend AZ Transmissions for your classic car and daily driver repairs.
